Lattice Opens Its First European Call Management Services Operation

Pennsauken, N.J. – December 16, 2010 -- [Lattice Incorporated](http://www.latticeincorporated.com) (OTC Bulletin Board: LTTTC), a provider of advanced technological solutions to key government agencies and enterprise customers, announced today that it has opened its first correctional facility call management site in Europe

Following a successful two-month trial, the Lattice system was officially established in a new 100-bed facility at Her Majesty's Prison, Windmill Hill, Gibraltar.

CEO Paul Burgess said, "This is our first international site. We believe the successful operation of our communications system in Gibraltar will lead to additional opportunities in Europe. We have a number of initiatives underway that appear to be very promising."

About Lattice Incorporated

Lattice Incorporated is a provider of advanced information and communications technology solutions to the government and commercial markets. The company's technology services division designs, deploys and manages advanced technological solutions at key government agencies and for mid- to large-sized enterprises. Lattice's technology products division consists of several core proprietary platforms used to develop customized software applications with military grade security in a number of different markets.
